Republican Speaking.
R. L. Fulton, Esq., and T. V. Julien, candidate for District Attorney, will address the citizens of Pyramid to-morrow night.

Hon. B. C. Whitman and Senator C. C. Powning leave to-night for the Great East, where they will put in some good work for Garfield and the Republican cause.

From Bodie.
Yesterday A. H. Wilbur came in from Bodie to rusticate for a few weeks. He reports that Bodie is now settling down to a steady basis, and that the mines are looking first class. The surplus population is moving away very rapidly which gives the appearance of a failure of the town, while the fact is, the town is simply seeking its level. Mr. Wilbur has great confidence in the future of that camp.

Funeral.
Yesterday afternoon John Johnson was buried from the M. E. Church. Mr. Johnson died on Friday at Rock Rock of pneumonia and was brought here for interment. He was a Director of the First National Bank of Reno, and the bank was closed yesterday out of respect to his memory.

Register.
Voters should remember that to-morrow (the 20th) will be the last day in which to register. This important duty should be attended to at once. You should not only register yourself, but see that all voters who have not, do. Let the Republican majority be as large as possible.

Of Interest to Greenbackers.
The Greenback electoral ticket is composed of Dr. H. H. Hogan, of Washoe; Horace N. Hurd, of Churchill; and W. Scott Williams, of Humboldt. Dr. Hogan, of Reno, is taking an active interest in the cause and will furnish tickets to those who apply for them.

Quite a number of emigrants are returning Eastward. They found that gold and silver could be had only by hard work, even in the far West, and so are going back again.

Treasurer Boyd gives official notice that taxes are now due and payable, and that they will be delinquent after the 15th of November.

Goeggel has opera glasses strong enough to show three of Jupiter's moons when they are in proper position.

Alexander, Bridges and Chapin are getting some fine salt by solar evaporation from their salt works in Hot Springs Valley.

Postmaster Jamison is sick. He caught a bad cold which settled on his lungs. We hope he will be around soon.

State Treasurer Crockett was in town last evening, and joined in the procession.

Beautiful weather now. Couldn't ask for prettier days than we have now.

Sunderland had a fine lot of new style hats come in yesterday morning.

Hon. Thos. Wren and Hon. Wm. Woodburn are in town.

A few English snipe are being shot on the Meadows.

HURRAH FOR GARFIELD!

Grand Demonstration Last Night—Torchlight Procession—Bonfires—Salutes—Telling Speeches.

Reno has again asserted her Republicanism and disheartened the opposition. The celebration of last night was a great success. The torchlight procession was a success in every sense of the word. The number was large, the transparencies well gotten up and to the point, and as the imposing pageant moved through the streets the hills resounded with salutes fired in rapid succession. The utmost enthusiasm prevailed on every side and cheer upon cheer were given as the multitudes passed. The transparencies were particularly good and had telling effect. The streets were lined with spectators, and Reno was indeed in its holiday garb. Even the Democrats had to admit that it was a success. The line of march traversed the procession halted at the Theater and disbanded. As the procession passed the Club room Prof. Gregory, who had arranged a sheet beside the large Garfield and Arthur street banner, threw large pictures of Lincoln, Sherman, Garfield, Arthur and other noted leaders upon the sheet with his stereopticon. It was very well done.

AT THE THEATER.
The stage was decorated with flags, and the large banners of Garfield and Arthur were placed in each corner, while in the foreground the "Democratic war eagle" lay prostrate and disheartened. Members of the Central Committee were on the stage. Hon. H. L. Fish was elected Chairman of the meeting. The glee club sang a campaign song after which the orator of the evening, Hon. C. S. Varian, was introduced. This gentleman, in telling words, reviewed the heresies and failures of the Democracy and in contrast distinction showed the noble works of the Republican hosts. He was frequently applauded. He spoke for about an hour and a half, and acquitted himself with credit, doing good service for the party. He was followed by Hon. Thos. Wren, of Enreka, who first reviewed the U. S. Senatorial field, announcing his own candidacy independent of all others. Passing from this he glanced over the political field, drawing many reasons therefrom why the Republicans should continue in power, and ended by showing by facts and figures that the popular sentiment was tending that way and that Garfield and Arthur were sure of election.

Thus ended the demonstration made in honor of the victories in Ohio and Indiana, and it certainly carried with it the fact of the great victory to be gained by the Republican party at the close of November.

Amusement at Huffaker's.
The Huffaker's Literary Society has resumed its sessions. Meetings are held every Friday evening in the school house, open to the public. At each meeting a local paper, entitled "The Honest Truth" is read. The paper is written, and the editor changed every week. Excellent local hits are made in its columns. Parties who have attended the meeting from town say the proceedings are very lively. A dance is to take place in Everett's hall in about ten days. N. W. Roff is getting it up for the benefit of the organ fund.

History of Nevada.
H. M. Craft is canvassing Reno for Thomson and West's Illustrated History of Nevada. The work is a complete history of the State, each county being fully represented. The firm have devoted considerable attention to the history of Washoe county in particular. The work will include a mass of statistical matter bearing upon the development of the main industries of Nevada. It will be found both interesting and valuable.

Huge Rally.
On Thursday there will be a grand rally from all parts of the coast to Sacramento of Republicans to attend a barbecue and general jollification. Many noted speakers will be there. A special train will be run from Reno, if enough excursionists can be secured. Tickets for the round trip, only \$7. All who wish to go can secure passage by applying to Mr. Higgins.

The trial of Barney Fitzgerald, for the murder of Thomas Laswell, was commenced yesterday morning in the District Court. Nine jurors were secured when the venire was exhausted and a new venire ordered, returnable this morning. Some testimony may be heard to-day.

Only two more days in which to register. Voters should not forget to attend to this very important duty.

The overland was six hours late last night.

AYER'S SARSAPARILLA, For Purifying the Blood.

This compound of the vegetable alterative, Sarsaparilla, with the most potent and reliable of medicines, and made with the addition of Potash and Iron, makes a most effective cure of a series of complaints which are very prevalent and afflictive. It purifies the blood, purges out the lurking humors in the system, that undermine health and settle into troublesome disorders. Eruptions on the skin are the appearance on the surface of humors that should be expelled from the blood. Internal derangements are the determination of these same humors to some internal organ or organs, whose action they derange, and whose disturbance they disease and destroy. AYER'S SARSAPARILLA expels these humors from the blood. When they are gone, the disorders they produce disappear, such as Ulceration of the Liver, Stomach, Kidneys, Lungs, Eruptions and Eruptive diseases of the Skin, St. Anthony's Fire, Rose or Erysipelas, Pimples, Pustules, Blisters, Boils, Tumors, Tetters and Salt Rheum, Scald Head, Ring-worm, Ulcers and Sores, Rheumatism, Neuralgia, Pain in the Bones, Subacute Head, Female Weakness, Sterility, Leucorrhoea, and all internal ulceration and uterine diseases, Dropsy, Dyspepsia, Emaciation, and General Debility. With their departure health returns.

FINE CLOTHING, BOOTS, SHOES, HATS, GENTLEMEN'S AND BOYS' FINE FURNISHING GOODS.

If you go to the right place to get them. This is a mighty important point, for some people who assert that they sell cheap do nothing of the kind. We do not boast when we say that we defy competition in prices in anything in our line. Besides this we have only one price. We have no preferred customers. Everybody is treated alike at our establishment. Our stock is the largest and most complete ever offered in any part of the State. Everything we have is new. No old, musty and out-of-date goods can be found on our shelves. We receive daily by rail and express the latest and best goods, which are obtained at first hand and sold at prices below those now prevailing in New York and Chicago. Let the people come and judge of our prices and examine our stock before going into those humbugging, Cheap John shops, in which they drum into the ear of the customer that they sell at cost and even below cost. Anybody with common sense must know that they lie. No storekeeper sells goods for the fun of the thing. We make a profit on everything we sell, as every honest merchant does, and don't print foolish falsehoods in the vain hope of deceiving the public. One must make a profit to live. We particularly call attention to our full stock of fancy underwear, such as is kept nowhere else in Reno. This class of goods forms one of our specialties. Orders from the country promptly attended to. Look out for the White Building with the Gold Sign.

Democratic County Platform.
The Democracy of Washoe County in convention assembled declare as follows:
That we the Democracy of Washoe County, endorse and reaffirm the principles enunciated in the platform of the National Convention at Cincinnati, in June last, and also our State Convention at Winnemucca, and heartily approve the lines of government therein marked out. Resolved, That we recognize in our candidate for Congress, Hon. O. W. Cassidy, an able statesman and tried gentleman, one who, as Senator in our councils has labored fearlessly to maintain our principles and laws for the best interests of our State and people, and who has shown his first legislative acts shall be to introduce such a measure as will make completely operative and effective that plank of the national platform which demands the prohibition of Chinese immigration, and that we cordially invite the support of our candidates every voter of what ever political creed, who sincerely desires that our laboring classes may be forever relieved of the curse of coolie competition, and to them the fact that relief can only come from a Democratic Congress and a Democratic President. Resolved, That in the person of Justice O. H. Belknap we have an eminent jurist, one that is tried and true, and we point with pride to his past record. That the Democratic party has always maintained that none but residents of Nevada should represent her in the national council, and we deprecate the practice inaugurated by Jones and followed by Sharon, of corrupting, by the free use of money, the elective franchise of a free people, and we call upon all Democratic and honest Republicans to come boldly forward and assist in wiping out this stain upon the fair name of our young and growing State.

FOR JUDGE OF THE SUPREME COURT:

FOR COMMISSIONER:
ROLLIN M. DAGGETT.

Resolutions Adopted by the Republican State Convention:
Resolved, That the platform of principles adopted by the National Republican Convention at Chicago in June deserves and receives the approval and hearty endorsement of all Republicans of Nevada.
Resolved, That the theories of Chinese that are coming in upon our shores to eat our substance are destroying our country, impoverishing our mines, miners and laborers, debauching our youth and making both men and women lower in the scale of humanity. This evil must and shall be stopped, and to this end we pledge the Republican party to the United States. In the language of our great leader, we regard the immigration of such a race as a national disaster, and we demand that the Government should the Chinese Government fail to secure by the first of next January such a modification of the Burlingame Treaty as will practically put an end to the influx of Chinese to this country, we demand that the treaty then be promptly annulled, and such laws enacted as will relieve us at once and forever of the Asiatic scourge now menacing the well being of the Republic.
Resolved, That we do not heartily in one the several financial policy of the Republican party, which, in spite of every opposition on the part of the Democracy, has led to the resumption of specie payments, the raising of our national credit to a height never before known, and the restoration of National prosperity. But we also demand the complete restoration of silver coin to its former position by the side of gold and for the purpose of attaining that end we do it to be the duty of the General Government, through the authorization of Congress, to issue into standard dollars, or other gold tender currency at the cost of coinage and for the benefit of the producer, the entire produce of the country and relieve the mining industry from the loss attending the shipment to, and sale of silver bullion in foreign markets. We demand for the people of Nevada the leading industry of Nevada, we are indelibly opposed to the bill reported by the Committee on Mines and Mining and which the House of Representatives is now considering, which would give to the Government the right to mine on public lands, and we urge our representatives in the House of Congress to continue their efforts for its defeat. Such a restriction would work disaster to the laborer of the prospect, and would only retard the development of the mineral riches of the West and would endorse the action of our Representative, the Hon. R. M. Logan, in this behalf.
Resolved, That the Republican party claims to be the right and only party of the United States, and we demand that the Republican party should be the only party to regulate and restrict the charges of railroads exclusively within their respective boundaries, and that it is no less the constitutional right than positive duty of Congress to regulate railroads, and restrict the charges of interstate railroads.
Resolved, That while we congratulate the country on the successful resumption of specie payments and the splendid financial condition of the Republic, we are in favor of testing the issue of National and State legal tender notes to demonstrate of not less than five dollars, thus creating an increased home demand as a circulating medium for the precious metals which our mines are annually yielding.
Resolved, That General James A. Garfield and Chester A. Arthur by the services to the country by their devotion to principle and by their untarnished reputations as men and citizens are deserving of united and earnest support of all the loyal people of the United States for President and Vice President. We rejoice in their nomination and pledge to them the Electoral vote of Nevada at the ensuing election by an overwhelming majority.

REPUBLICAN COUNTY PLATFORM.
Resolved, That we most heartily endorse the principles as enunciated by the National and State Republican Platforms.
Resolved, That we recognize in James A. Garfield and Chester A. Arthur, the Republican nominees for President and Vice President, preeminently worthy and able. Their past record of patriotism and service give assurance of their fitness for the position to which they have been nominated, and that they should and will have our earnest and united support.
Resolved, That in R. M. Logan the Republican party has given to the people of Nevada an able and industrious representative, and in Wm. H. Beatty an honest and fearless Judge, and we will endeavor by united work to secure their reelection.
Resolved, That the Republican party ever has encouraged and supported free and intelligent labor, and ever will endeavor to restrict the unrestricted immigration of Chinese to our shores and to promote the happiness and well being of the laboring classes of this nation, and fully recognizing the self-evident fact that our national growth, grandeur and prosperity are the results of free labor.
Resolved, That the principles of our government can only be upheld and perpetuated by a full free and fair ballot, and that to secure and protect the right of suffrage to every citizen it is our duty to discomfite and condemn any violence or attempt at interference with this sacred right, and that every lawful measure should be invoked to secure this right to every citizen.
Resolved, That in view of the fact that the Republican party has ever been true to its trusts in the past, our national prosperity and welfare demand a continuation of its rule.
Resolved, That it is the duty of every Republican to give his support only to men whom we are assured will guard and protect the interests of the people and advance and promote the educational interests, and manufacturing agricultural, mining and other industrial pursuits of our people.
Resolved, That the Republicans of Washoe County favor a change in the office of United States Senator, and that our Representatives and Senators be instructed to vote as a unit on all Senatorial questions, and endeavor to secure the election of a man whose home is in Nevada.
Resolved, That we pledge the Republican party to use every effort to reduce the expenses of our State government and that we are opposed to the repeal of the County Salary Bill.
Resolved, That we are opposed to the so-called Drummers' License Law and would recommend its repeal or the reduction of the license to five dollars per month.
Resolved, That the Republican party of Washoe County calls for a cordial invitation to candidates to come here and build up a mill, open mines, run irrigation ditches and lay railroads, and we promise equal and exact justice and fair dealings to all.
